DECLARATION PURSUANT TO 37 C.F.R. §1.175

I, Jae S. Lim, declare that I believe that I am the original and first inventor of the subject matter that is described and claimed in United States Patent No. 5,640,486 for which I solicit a reissue patent; that I have reviewed and understand the contents of the above identified reissue application, including its specification and claims; that I acknowledge the duty to disclose all information of which I am aware that is material to the examination of this reissue application in accordance with Title 37, Code of Federal Regulations (CFR), §1.56(a); that the aforesaid patent is partly inoperative by reason of claiming less than I had the right to claim in the patent; and that said inoperativeness is a result of error that arose inadvertently and without any deceptive intention.

The patent claims less than I had a right to claim, in that the specification of the issued patent discloses an invention that is broader than what is claimed. One error relied upon as the basis of this reissue application was that of
